CYRON RAE N. ROBLES

VIDEO EDITING · EDUCATIONAL & ANIMATED VISUALS

Creative Portfolio

A selection of educational and story-based visual assets, with supporting experience in image editing, graphic design, digital content, and e-learning activities. The portfolio focuses on visual storytelling and clear, child-friendly educational content.

Mendez, Cavite, Philippines
+63 921 281 8132 · selbor.roncy@gmail.com

Target roles: Video Editor · Educational Content Creator · Visual Content Assistant

PROFILE

Organized and detail-oriented professional with a background in radiologic technology, healthcare administration, disease surveillance, and customer support. Alongside this experience, I develop educational visual content and storyboard-style illustrations, and I am interested in video editing for educational and animated content. I bring communication, documentation, teamwork, and careful attention to detail.

CREATIVE FOCUS

VIDEO & EDUCATIONAL CONTENT	SUPPORTING VISUAL SKILLS
• Educational and story-based visual sequences • Storyboard-style scene planning • Child-friendly visual content • Interest in educational and animated video editing	• Image editing and visual presentation • Graphic design and promotional layouts • Product visuals and content presentation • E-learning activity development with Articulate Storyline 360

TOOLS & SKILLS

CapCut — identified as primary video-editing software; self-described intermediate level. **Canva** and **Articulate Storyline 360** are relevant creative/e-learning tools. Other resume-listed skills include computer literacy, MS Office, basic software use, database systems (CDRS, WebLIS, WebSMIS), basic troubleshooting, communication, critical thinking, and working under pressure.

EDUCATION

Bachelor of Science in Radiologic Technology
Martinez Memorial Colleges · 2010–2014

SELECTED TRAINING & CERTIFICATIONS

2D Echo for Cardiac Sonographers (40-hour training); Short Course on COVID-19 Vaccinations; Expanding Horizons Quality & Safety; ISO 9001:2015 Awareness & Workshop; Internal Quality Audit Workshop; Risk Management; Objective Setting; Management Review.

SELECTED EDUCATIONAL VISUALS

These are actual visual assets available from previous educational-content work. They demonstrate illustrated scene sequencing and learning-oriented visual design; they are not presented as exported or finished video edits.

01 | Storyboard-Style Cartoon Sequence

A multi-panel cartoon sequence suited to planning scenes for a children's educational animation.

02 | Multi-Scene Illustration Collage

A separate collection of story-like illustrated moments that can support visual planning and continuity.

EDUCATIONAL IMAGERY & EXPERIENCE

03 | Reading-Themed Visual

Child-friendly reading content designed around a clear educational theme.

04 | Learning-Themed Illustration

An additional learning-oriented illustration demonstrating supporting visual content skills.

PROFESSIONAL EXPERIENCE

Radiologic Technologist · Watanak Diagnostics (OFW Clinic) | 2024–2025

Prepared and positioned patients, operated X-ray equipment, maintained imaging records, and followed radiation-safety and image-quality protocols.

CSR Virtual Assistant · Stationery Pal | 2023–2025

Responded to customer inquiries, resolved complaints, provided product information, processed orders/refunds/returns, and maintained interaction records.

Radiologic Technologist · Marilao Medical Clinic | 2022–2024

Supported imaging procedures, image quality, patient records, and safety protocols.

Disease Surveillance Officer · Department of Health | 2020–2022

Collected and reported health data, monitored trends, coordinated with facilities, prepared reports, and conducted health education activities.

Administrative Officer III · Department of Health | 2019–2020

Organized records, supported reports and presentations, managed supplies, and coordinated administrative tasks.

Radiologic Technologist · HealthMatters Diagnostic Clinic | 2015–2019

Prepared patients for procedures, supported imaging work, maintained records, and assisted with data entry.

LET’S WORK TOGETHER

Interested in opportunities involving educational video editing, animated visual content, image editing, and creative digital support. I value clear instructions, consistency, and thoughtful presentation.
